Gulbahar Tobacco International is one of the most prominent exhibitors in the World Tobacco exhibitions. GTI was also present in the World Tobacco Middle East exhibition which held in the World Trade Center, Dubai, UAE on 3rd till 4th April 2019. GTI launched its new brand 'Momento' in its portfolio. GTI also introduced many new products in Mond, Milano and Cavallo lineup.

Gulbahar Tobacco International has launched its premium segment cigarettes called 'Milano Shoulder Pack.' Milano Shoulder Pack has king size cigarettes in it. And, it is available in three flavors which are Vanilla, Cherry and Coffee.

Gulbahar Tobacco International also presented two new fan packs called Milano Eject and Cavallo Clip & Go. But, what makes it special? These fan packs have nano size cigarettes with double capsules in its filter, which is first in its segment.

GTI has introduced its a new brand of cigarettes called Momento. Currently, it is available in King size, Queen size, Super Slim size, and Nano size cigarettes. It also has three variants of fan pack, which are called Momento Move, Momento Cyber, and Momento Robotic.
